FOR IMMEDIATE RELEASE

Difficulties in obtaining credit and mortgages have suddenly become front-page news but for Bridge Corporate Finance PLC it has all been good news with £32m of inquiries as a result of a successful marketing campaign started one month ago.

Altrincham-based Bridge has been attracting an increasing number of brokers from throughout the country who are bringing deals and inquiries from small and medium sized enterprises, developers and individuals with short term funding requirements.

Said Abigail Farran: "Bridge Corporate Finance make the whole bridge process fast, simple and hassle free. We do all the hard work for you, from arranging and discussing requirements with the surveyors, to draw down of our cash facility."

Bridge Corporate Finance PLC allows its clients to borrow up to 100% of the purchase price, against all types of land and property, subject to terms and conditions. The simplicity of the bridge process enables an agreement in principle, subject to valuation, within hours of completing the application form.
